

## Greetings from Asian Elephant Support!

We are pleased to announce a positive report after checking in on Bona.

Dr. Christopher Stremme recently visited Seblat Camp, home of the little elephant orphan Bona, and reports she is healthy, active and alert, but a bit too thin. So, Dr. Stremme has instructed her supplemental feedings be increased from two to three a day.

Others are also helping with the cost of these supplements, but we have made a commitment to Bona and we continue to be there for her if needed.

These are tough economic times for us all, but **there are ways to help AES without giving us an outright donation.**

Thinking of listing an item on eBay? Consider listing through eBay Giving Works, and selecting a percentage of your proceeds to be given to AES. Here's how:

1. Go to ebay.com and click on "Sell."
2. Click on "List Your Item."
3. You will be asked to select a category for your item(s).
4. You will be given two listing form options:
  - "More Listing Choices"
  - "Keep it Simple"
5. Choose the "More Listing Options" form.
6. Enter the information about the item(s) you are selling.
7. The form will take you to the eBay Giving Works section, where you can choose to donate a portion of your profits to Asian Elephant Support.
8. The form will take you through the remaining requirements for listing your item(s).

## Car Donation Program

When your 'wheels' or recreational boat have reached the end of their years, please consider donation as a possible way to give to a charity. The Car Program folks are easy to talk to and have the answers to any questions you may have. Asian Elephant Support would greatly appreciate the gift, putting all such proceeds to work for the benefit of Asian elephants in their native lands. For more information, please call The Car Program at 1-800-240-0160.

AES recently signed up for Sosbuzz, a website that offers up to 50% on many different products and services. After you make a purchase from Sosbuzz, you may report the sale and the seller will donate 25% of the proceeds to AES. Visit their website for more information: <http://www.sosbuzz.com/>

## Spread the Word

AES's main objective is to improve the situation of Asian elephants, but a global response is needed for any real headway to be made. The best way to accomplish this is for more people to understand the challenges elephants face. By telling one other person what you know about elephants, or about the work AES does, you are helping to spread the word, and helping us make a difference for elephants.

### THANK YOU

*We at AES wish to extend a very sincere **Thank You** to each donor who has voted their support with a financial gift. We value that confidence and will do our best to help the animals we care for so deeply.*
